

THE  
1-2-1  
ADVENTURE

GRANDPARENTS!  
ENJOY THE 1-2-1  
ADVENTURE!

In many families there is a very special bond between grandparents and their grandchildren. In 2015 we are hosting a grandparent and grandchild adventure weekend at a discovery centre where the activities will be suitable for children aged 6-11 years old.

This is an opportunity to enjoy the delights of seeing the world through the eyes of your grandchild. We have teamed up with experts from the Field Studies Council\* who will bring to life the fascinating natural world around us.

With activities such as pond dipping and bushcraft, you will have the opportunity for special one-on-one time together.

Places are limited so early booking is recommended.

CHALLENGE

# ATTENTION MUMS AND DADS! TAKE THE 1-2-1 CHALLENGE!

**BOOK NOW  
FOR 2015**

The 1-2-1 Challenge is a fantastic weekend adventure for **one parent and one child**. Its aim is simple – to help you to connect with each other at a deeper level, in an environment that is pure fun!

By participating in some exciting activities with your child, such as high ropes, canoeing or archery, you will learn new things about each other and work together to overcome challenges. We understand that for many families, getting the best balance between work and family life can be very difficult. That is why many parents have found value by spending meaningful time with each child on their own.

These weekends take place at outdoor activity centres where qualified instructors provide safe activity sessions that are challenging and fun! You don't need any experience or to be super-fit, it's just about great family fun.

**“Every year we hear fantastic stories of parents and their children building lasting memories during these special weekends.”**

*Rob Parsons OBE, Chairman of Care for the Family*
